Board of Trustees Policy

ACCESS TO INSTRUCTIONAL MATERIALS POLICY

The Pennsylvania State Board of Education adopted the National Instructional Materials Accessibility Standard (NIMAS) as defined in the Education of Individuals with Disabilities Education Improvement Act of 2004 ("IDEA"), for the purpose of providing print instructional materials in alternate accessible formats or specialized formats to blind persons or other persons with print disabilities in a timely manner. Pursuant to the state regulations which incorporate the IDEA, the Agora Cyber Charter School ("Charter School") will adopt NIMAS to ensure the timely provision of high quality, accessible instructional materials to children who are blind or other persons with print disabilities. The NIMAS refers to a standard for source files of print instructional materials created by publishers that may be converted into accessible instructional materials.

In accordance with 22 Pa. Code §711.45, the Charter School, shall, in a timely manner, provide print instructional materials in specialized, accessible formats (that is, Braille, audio, digital, large-print, and the like) to children who are blind or other persons with print disabilities, as defined in 2 U.S.C.A. § 135a (regarding books and sound-reproduction records for blind and other physically handicapped residents; annual appropriations; and purchases).

The Charter School, shall act in a timely manner to provide instructional materials required under 22 Pa. Code §711.45(a) if it takes steps to ensure that children who are blind or other persons with print disabilities have access to their accessible format instructional materials at the same time that students without disabilities have access to instructional materials. The Charter School will not withhold instructional materials from other students until instructional materials in accessible formats are available.

Receipt of a portion of the instructional materials in alternate accessible or specialized format will be considered receipt in a timely manner if the material received covers the chapters that are currently being taught in the student's class.

If a child who is blind or other person with a print disability enrolls in the Charter School after the start of the school year, the School shall take all reasonable steps to ensure that the student has access to accessible format instructional materials within 10 school days from the time it is determined that the child requires printed instructional materials in an alternate accessible or specialized format.

The Charter School may coordinate with the National Instructional Materials Access Center (NIMAC) to facilitate the production of and delivery of accessible materials to children who are blind or other persons with print disabilities. The NIMAC refers to the central repository, established under section 674(e) of the Education of Individuals with Disabilities Education Act, which is responsible for processing, storing and distributing NIMAS files of textbooks and core instructional materials.

Schools coordinating with NIMAC shall require textbook publishers to deliver the contents of print instructional materials to the NIMAC in NIMAS format files on or before delivery of the print instructional materials to the School. Schools that choose not to coordinate with NIMAC may require that publishers deliver the contents of print instructional materials to the NIMAC in NIMAS format files on or before delivery of the print instructional materials to the School.

TO THE EXTENT THAT ANYTHING IN THIS POLICY COULD BE CONSTRUED TO CONFLICT WITH THE SCHOOL'S CHARTER OR APPLICABLE STATE AND/OR FEDERAL LAWS, THE APPLICABLE STATE AND/OR FEDERAL LAWS AND/OR CHARTER CONTROL.
