## Board of Trustees Policy

### HEALTH REIMBURSEMENT POLICY

Public school entities (school districts, charter schools, cyber charter schools and comprehensive career and technology centers) are required to annually submit a Request for Reimbursement and Report of School Health Services to the Department of Health (DOH), Division of School Health (DSH).

School Health Annual Reimbursement Request System (SHARRS) provides aggregate reports of dental and medical school health information, expenditures, and data relative to the provision of the school health program in all buildings served by the public school entity during the school year. This includes school health services provided to non-public or private schools, part-time career and technical centers, alternative education programs, home schooled students. Reimbursement to school entities is based on 1) the actual cost of health services less any charges deemed unreasonable by the DOH, 2) the average daily membership (ADM) of the school entity and 3) reimbursement amounts established by law. Data obtained from this report are utilized by schools, state agencies and other organizations and individuals in monitoring and analyzing health status indicators and service needs of Pennsylvania's students.

It is the policy of Agora Cyber Charter School to apply for reimbursement of expenditures related to health services on a yearly basis through the SHARRS System.

**TO THE EXTENT THAT ANYTHING IN THIS POLICY COULD BE CONSTRUED TO CONFLICT WITH THE SCHOOL'S CHARTER OR APPLICABLE STATE AND/OR FEDERAL LAWS, THE APPLICABLE STATE AND/OR FEDERAL LAWS AND/OR CHARTER CONTROL.**
