

How to view report cards in Sapphire Community Portal

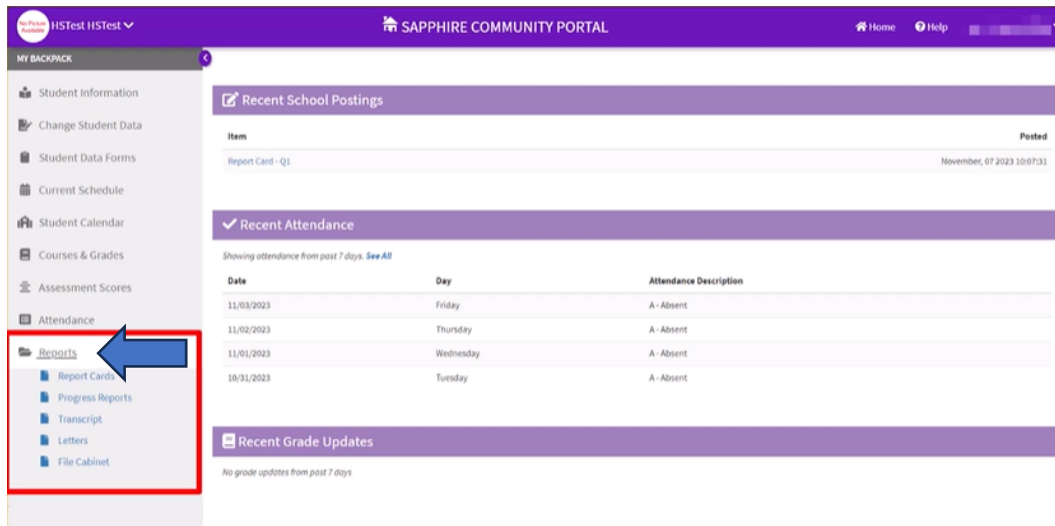

Access your Sapphire Portal. If you need help accessing, please use this guide <https://www.smores.com/07rv9-sapphire>

Once you are logged in, choose the student.

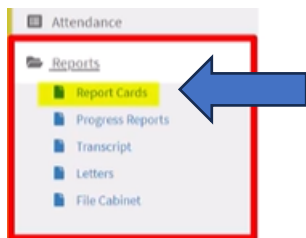

Report Cards

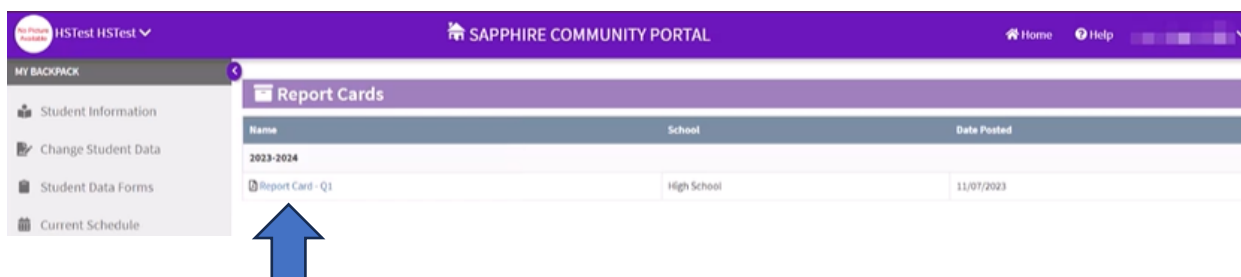

From the students landing page, click on Reports.

Click on report cards

You will see the report card listed here. Click on the link to view.

Repeat steps above for multiple students. If you have any grade questions, please reach out to your teacher.
